Reflections from our Pastor

Dear Friends:

As I write this article we are quickly closing in on the busiest part of our church season. We have several important events that on the horizon. Let me mention just a few of them.

The **Annual Church Retreat** is coming up March 21-23. This is a great time for us to experience community in a significant way. The in-depth Bible studies, breakout groups, and recreational events all make the retreat so worthwhile to attend.

The **Easter Cantata** is just around the corner. There will be two performances of the Cantata on Monday, March 21st and Wednesday, March 23rd. at 7:00 p.m. This year, we will have a "cookie fellowship" following both performances!

Resurrection Sunday services will be on Sunday March 27th at 8:30 a.m. and 10:00 a.m. We are looking forward to these special services with great music from our Chancel Choir. I'll be preaching a Resurrection message from the book of Revelation. Bring a friend with you!

We look forward to seeing all of you throughout the month's various events.

Sincerely,

Dr. David W. Price
Lead pastor

SINGLES AT GOCC

Over 30 Singles met together in Fellowship Hall last month to hear a guest speaker and get to know one another. The group, open to all singles in TGO, plans on meeting monthly as an umbrella group for several, smaller, informal & special interest singles groups and activities locally. "This will be a good way for Singles in the Church to get to know one another and share in activities of common interest," said Pastor J. B. Kump who, along with his wife, Shirley, sponsor the Singles Group. "The group will be run by Singles who will help determine the activities and direction the group will take," concluded Kump.

For their next meeting, the Singles group will have a luncheon outing on Wednesday, March 16 at 11:30 AM. The group will depart by bus from the Church parking lot and travel to Portofino Restaurant for a private luncheon & fellowship time together. The bus will return to the Church parking lot between 1:00 and 1:30 PM.

Reservations are required: call (321-383-0303 office; 321-543-1608 cell) or email J. B. Kump at: jb.kump@tgochurch.org by March 11. Participants will be asked to donate \$5 per person before boarding the bus. The luncheon will be "no host" with ordering from the standard restaurant menu.

40 DAYS OF GENEROSITY RESULTS

During 2015 members at GOCC joined with Churches all over North Brevard in participating in the "40 Days of Generosity" project. Donations were made to complete major projects in Titusville: a splash park for youth in the area and an emergency, temporary family housing center at the Salvation Army location. Additionally, many participated in Bible studies, special prayer and worship services and a "pay it forward" activity using small cards to pass along acts of kindness from one person to another.

"The shelter is completely funded and the Splash Park is well under way with other fund raising events planned to help complete necessary funding," said Pastor J. B. Kump, GOCC's representative on the steering committee for the project. "Many people in the local community were touched by the program. The project changed attitudes and lives in the local area, from waiters in restaurants to people in drive thru lanes at fast food places, to whole neighborhoods where projects were carried out to make life better," concluded Kump.

The project took in over \$90,000 in total donations, from individuals, Churches and organizations in the community.

"The committee is planning on regenerating the project for 2016," said Kump. "Plans are under way to not only complete the Splash Park but to fund additional community needs," he said. Details will be related in the Messenger in the weeks and months to come.

40 Days of Generosity presents a check for \$42,060 to the Salvation Army for Family Shelter

AIR MOBILE RESCUER

Since 2004, AMR has been bringing water purification systems to 40 countries worldwide with over 800 units deployed. The Air Mobile Rescuer water purifier is an amazing, life saving tool. At a mere 20 pounds, it can produce up to 25 gallons of pure water every hour, which is enough drinking water for 500 people per day! A powerful ministry has grown from using this unit to help save lives and share God's love and compassion with the needy.

Water of Life

The Allen Family started their Mission with exceptional vocal concerts that led them to presenting the gospel. Their concerts helped fund their travels around the world spreading the Word. A village in Uganda needed the Word but also needed clean water. They found a simple filter that guarantees one (1) million gallons of clean water from undrinkable swamp water. This led to delivering "Buckets of Blessings" to individual families in Ugandan villages.

GOCC Plans To Buy Bible Translation Kit For Wycliffe Associates Total Contribution Needed \$3,972 (Orlando Florida USA)

Wycliffe Associates, an international organization that involves people in Bible translation efforts. They are helping to accelerate Bible translation in remote and dangerous countries. Wycliffe Associates provide national translators to communicate and share files with access to timesaving and possible lifesaving technology. The kit allows national Bible translators to communicate and share files with translation consultants hundreds or thousands of miles away, eliminating delays caused by unreliable electricity as well as time-consuming, difficult and dangerous travel.

Each TRANSLATION ACCELERATION KIT includes:

• Small, portable netbook computer

• Satellite communication terminal

• Battery and power supply

• Solar panel
